

PRODUCT OVERVIEW

OCEAN MASTER M1 CUPOLA & BODHI CUPOLA

Discover the fusion of style and functionality with our Cupola parasol. The elevated vent facilitates a constant, cool breeze underneath the chic standard Sea Scallop Valance canopy. Dive into unparalleled comfort, even on the sunniest of afternoons.

The M1 Cupola Bodhi is appointed with a Natural Macramé belt, a tailored Macramé Fringe on the top vent, and a Scalloped Macramé Fringe Valance dressing the bottom canopy. Add an optional Softscape available in a range of designs and colors. While each option offers its own unique appeal, our featured Kaleidoscope Softscape brings a bold, artisanal expression to the parasol.
