

INSTALLATION INSTRUCTIONS

MERCURY LOUNGE

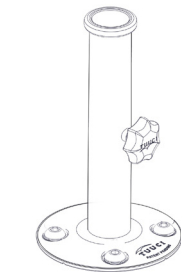

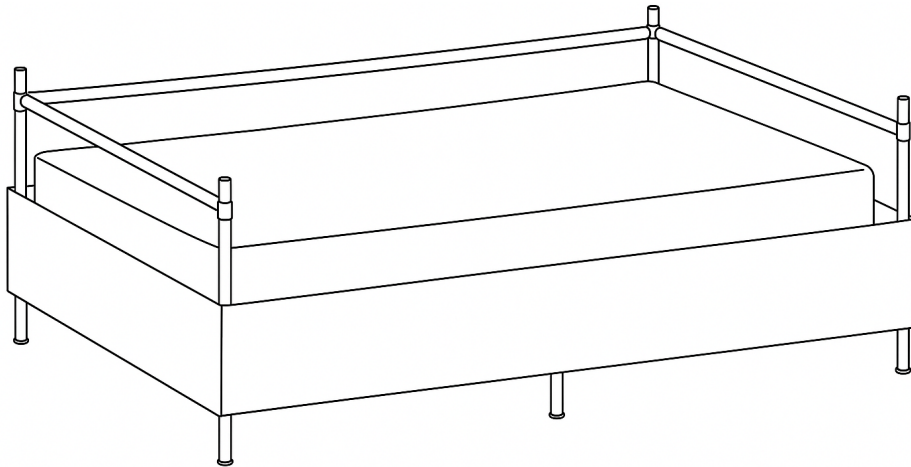

To protect your product, please read the operating instructions before assembling.

BASE INSTALLATION

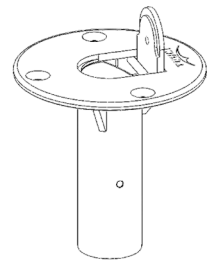

Step 1

Assemble and install top frame and canopy, secure bottom frame to the anchors.

If using deck mounts or flush mounts, inquire at: <https://www.tuuci.com/products/shade-anchors/> (PDF downloads instructions)

Deck Mount

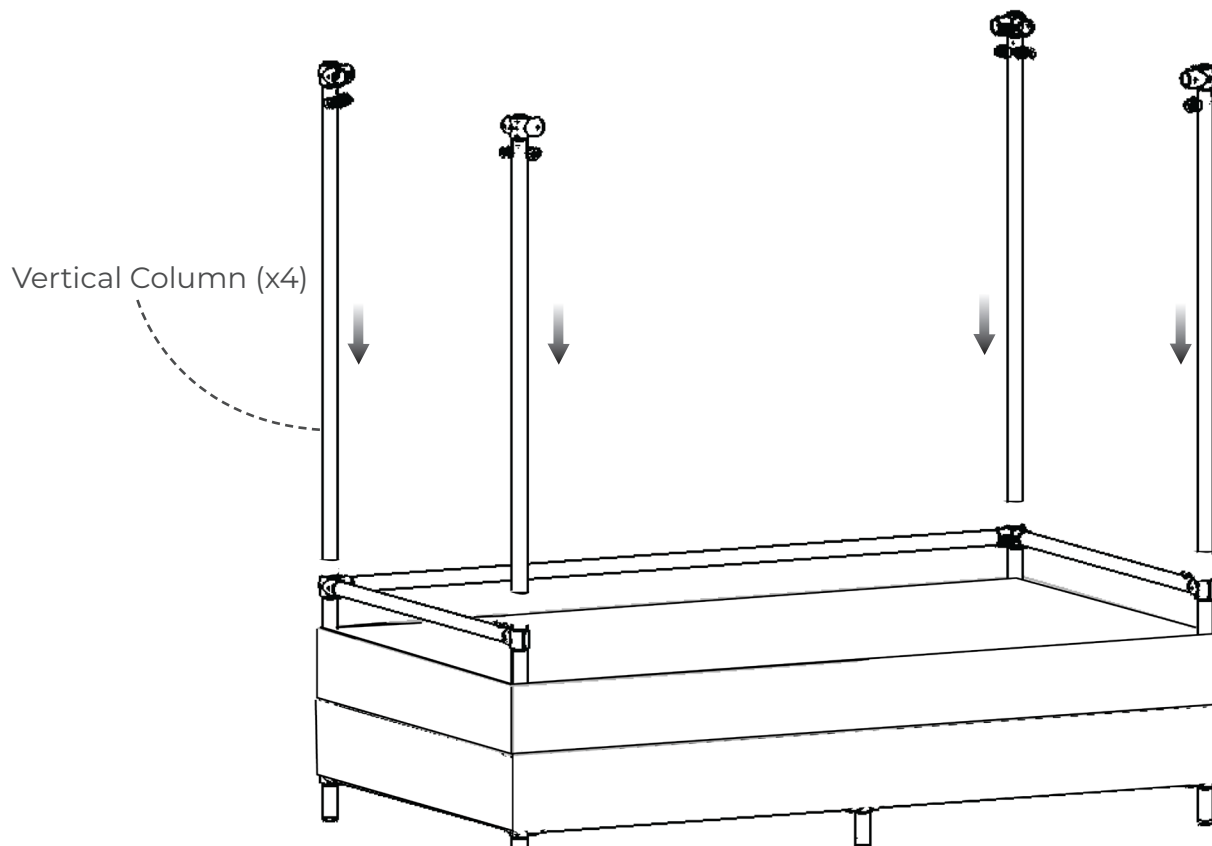

Flush Mount

UPPER FRAME INSTALLATION

Step 1

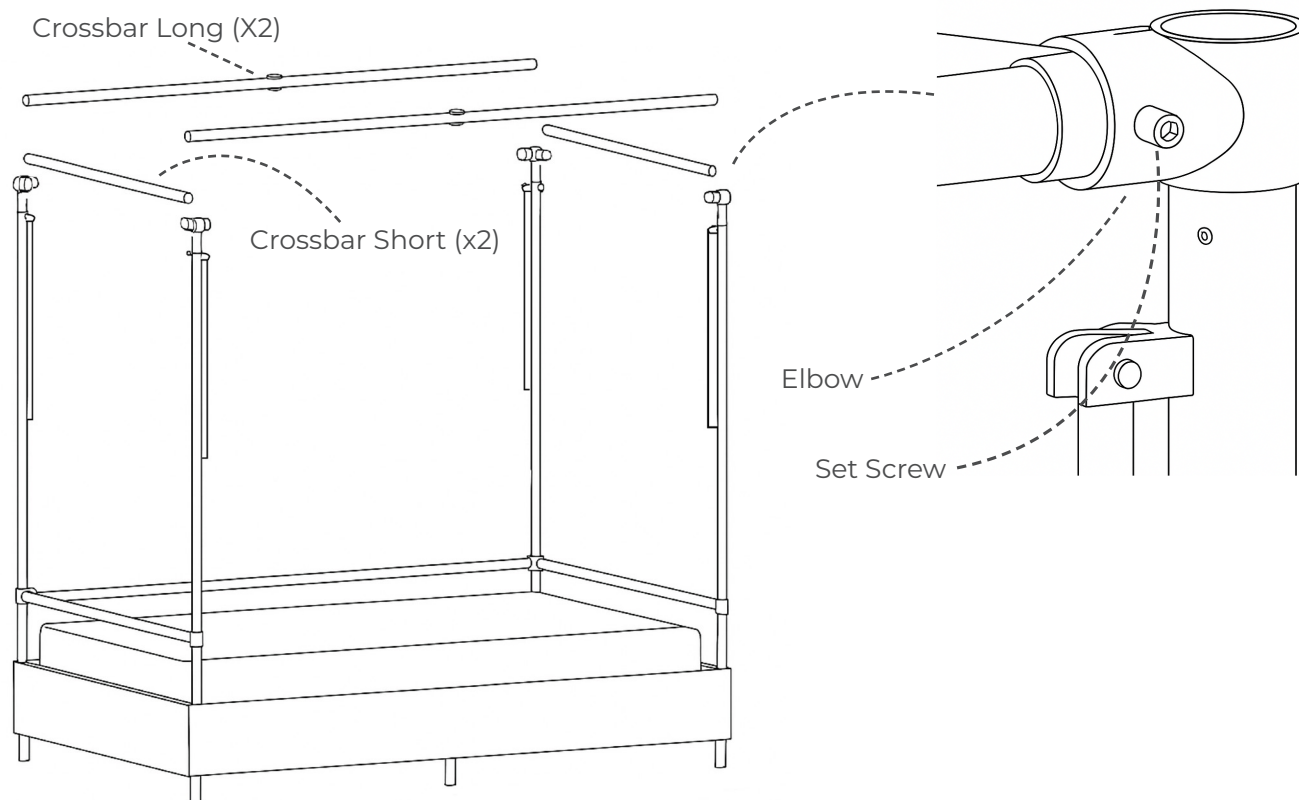

Insert vertical columns. Do not tighten screws until upper frame is installed.

MERCURY LOUNGE

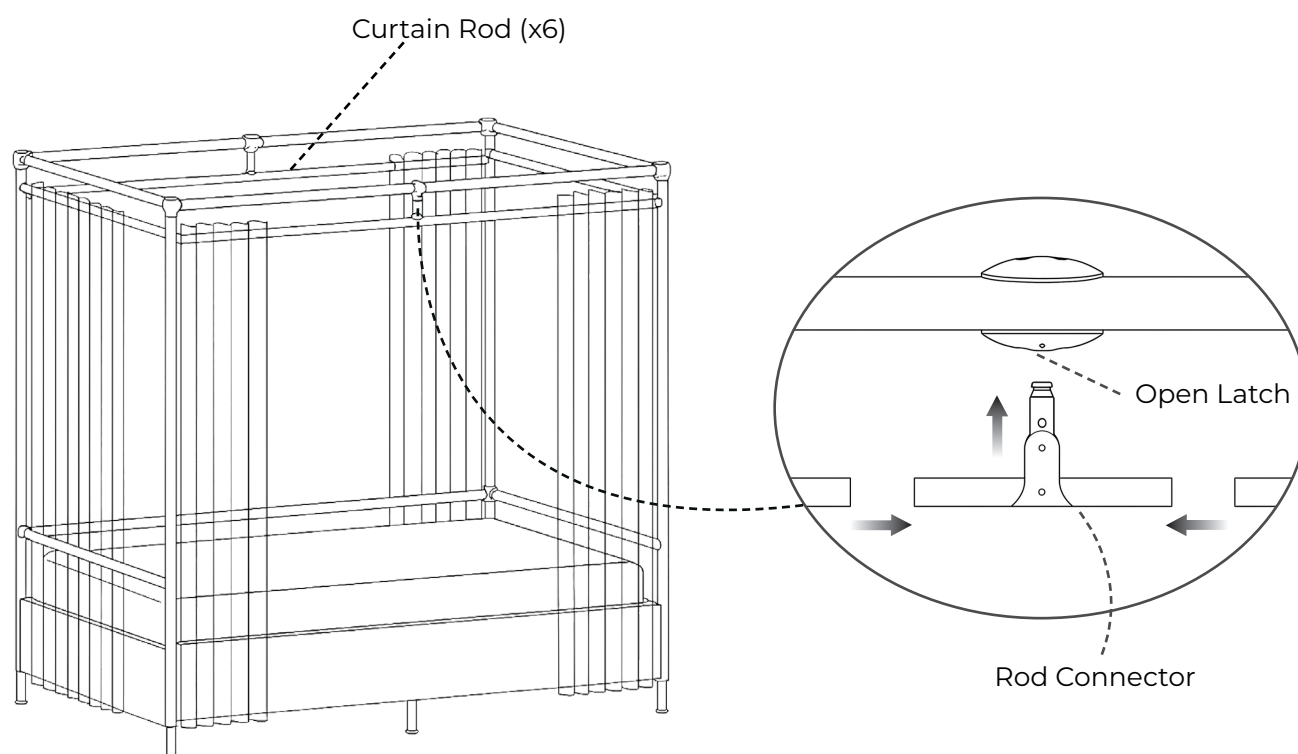

Step 2

Insert crossbars inside elbows and tighten with set screws (all corners).

Step 3

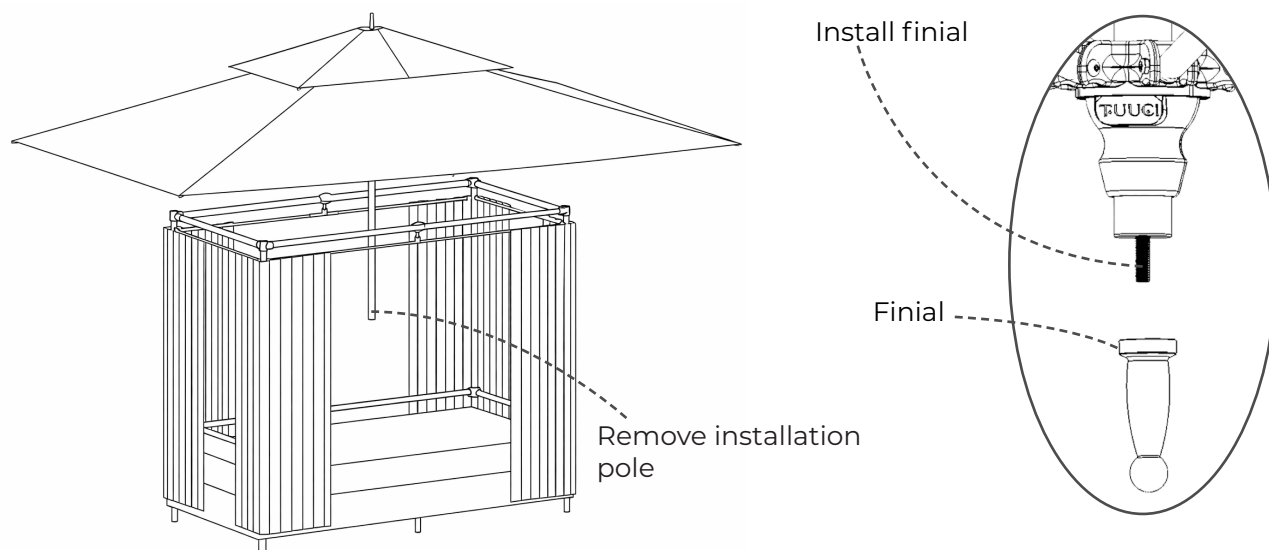

Insert curtains on curtain rods and hitch rod connector to latch bracket.

CANOPY FRAME

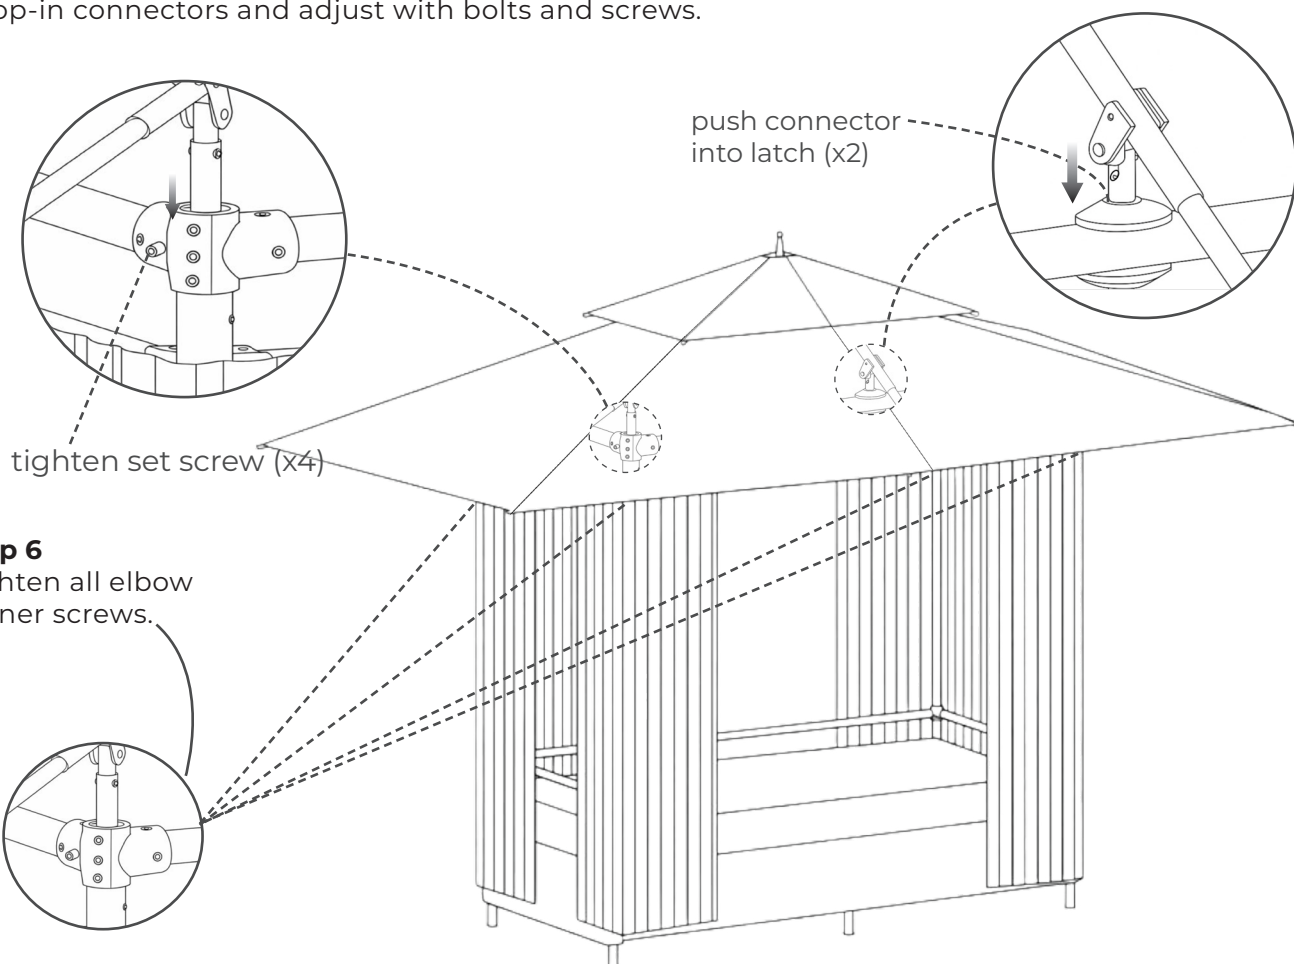

Step 4

Use installation pole to drop canopy frame onto lower frame.
Once the canopy has been installed, remove installation pole and install finial.

Step 5

Drop-in connectors and adjust with bolts and screws.

Step 6

Tighten all elbow corner screws.
