

PRODUCT OVERVIEW

MERITAGE TABLES

Meritage Tables exude luxury with Aluma-Forge™ cold-weld construction, blending aluminum, stainless steel, and polymer for a durable, corrosion-resistant frame. The discreet leg leveling system, offering nearly 1" of fine-tune adjustment at the top of the leg, ensures a seamless appearance. Tailored bezel finishes combine with Aluma-TEAK wood-grain or powder coated options, crafting an enduring, artisanal, and architectural aesthetic.
